### **Services / Property Tax / Homestead Exemption:**

- New residents are receiving City services as of May 15, 2021
- Beginning in 2022, you will receive separate property tax bills from both Cobb County and the City of Smyrna
- As with your County taxes, the City offers a homestead exemption for residential properties that are the primary residence of the owner (rental properties do not qualify). This ensures that when your property is reassessed your exemption will automatically increase by the same amount. You must file a separate City of Smyrna Homestead Exemption by April 1 at Smyrna City Hall.
