ENVIRONMENTAL SERVICES

Recycling Center Tour: The Smyrna Recycling Center welcomed eight residents for January's monthly tour last Friday. Despite the cold, the visitors were enthusiastic and ready to learn everything there is to know about recycling in Smyrna! Monthly tours take place on the third Friday of the month at 9:00 AM. [Register here to save your spot on the February tour!](#)

ADOPT-A-MILE

Help keep Smyrna clean & beautiful!

- Quarterly cleanups
- Flexible dates
- All supplies provided
- Team building
- Road sign after your second cleanup

Adpot-a-Mile: Keep Smyrna Beautiful's Adopt-a-Mile on Saturday, January 20, was postponed due to the weather. Groups will be headed out over the next few weeks for make-up days. We'll report back in a few weeks.

Volunteering with Keep Smyrna Beautiful: Keep Smyrna Beautiful is now recruiting for new Adopt-a-Mile groups! Groups commit to cleaning their adopted mile four times a year. Groups can be couples, families, church groups, businesses, civic groups, and more. Dates are completely flexible! To learn more, [click here.](#)

Recycling Tip: Tetra Pak: In Smyrna curbside recycling and at the Smyrna Recycling Center, Tetra Pak containers are recyclable as mixed paper! Tetra Pak is a kind of plasticized paper container used for things like soup, juice boxes, almond milk, and more. In the past, these items couldn't be recycled because they damaged equipment at the Materials Recovery Facility (MRF). In the past few years, the MRF that accepts Smyrna's recycling updated its equipment and now can process Tetra Pak.

Smyrna Garden Tour: Save the date! The Smyrna Garden Tour will take place on Saturday, May 4, 2024. Tickets will go on sale in March, but sponsorships are now being accepted! [Learn more.](#)

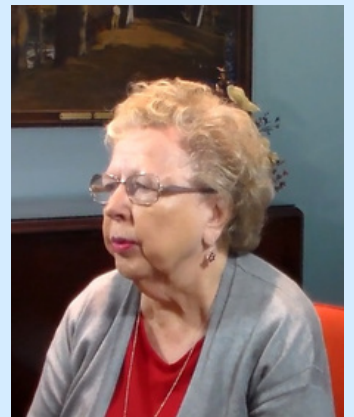

LIBRARY AND MUSEUM

Adult Craft Workshop: Salves & Balms: The library's Adult Services team hosted adults for a homemade balm and salve workshop on Friday, January 19. The workshop is in support of the traveling exhibit "From DNA to Beer: Harnessing Nature in Medicine and Industry" on view in the downstairs Reading Room through February 10. Two of the participants related how they had met and become friends at a previous adult craft workshop at the library!

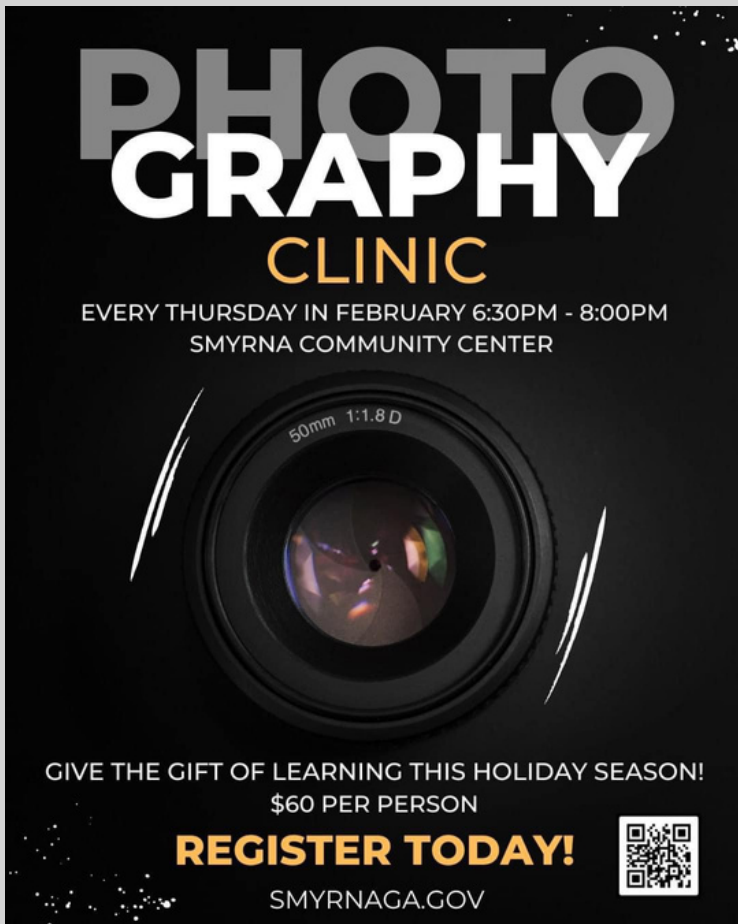

Oral History Project: Two new transcriptions have been completed for the library's Oral History Project. Jean Aaron is a member of the King family who grew up in Davenport Town (left), and Sandra Bryan Crowe (right) is a longtime resident of the Belmont Hills neighborhood. The transcripts of their interviews are linked below the videos, [here](#).

Weekly Visitors
Library: 2,169

Museum News: Museum Manager Jennie Eldredge attended the Georgia Association of Museums annual conference in Athens, Georgia, from January 16-19. She was able to network with colleagues and get great ideas such as new children's programming. The event pictured is from the Keynote Luncheon with Georgia Music Exhibit Coordinator Ryan Lewis.

WATER DISTRIBUTION

Work Orders: Staff resolved several work orders last week including:

- Water Main Breaks: 4
- Sewer Backups: 9
- Water Service Leaks: 4
- Customer Issues: 27

Water and Sewer staff take great pride in being responsible for the installation, repairs, and maintenance of 150 miles of sewer pipes and 250 miles of water main pipes. We are currently providing services to 15,237 customers in the City of Smyrna. We guarantee above and beyond service and safe, clean water supply to each customer every day.

Water Service Inventory Verification: Water service inventory verification is underway. Homes in Wards 2, 4 and 6 are completed.

Closed-Circuit TV Pipe Inspection: Sewer infrastructure is being graded with closed-circuit TV equipment. This technology allows staff to view lines in real time, determine pipe conditions, and make corrections when necessary. Inspections in Wards 1, 2, 4, and 5 are completed. Inspections in Ward 6 are underway by Smyrna staff, and inspections in Ward 3 are underway by a contractor.
